

Trails and Active Transportation Master Plan

NOTICE OF PUBLIC INFORMATION CENTRE #3

The City of Niagara Falls is developing a **Trails and Active Transportation Master Plan (TATMP)** to build off the existing Sustainable Transportation Master Plan (2011). The TATMP will focus on the multi-modal (*walking, cycling, and micromobility*) needs of the City of Niagara Falls, including the urban and rural communities, downtown districts, and the world-renowned tourist area.

We welcome anyone to attend this Public Information Centre (PIC) #3, and learn about the Trails and Active Transportation Master Plan project. At this meeting, we will provide:

- » Project Schedule Update
- » Draft Final Trails & Active Transportation Network
- » Policy & Strategy Recommendations
- » Programming & Education Recommendations
- » Monitoring & Reporting Program
- » Next Steps

WHAT TO EXPECT: Interested individuals are invited to attend this presentation style event where they will have the opportunity to hear from staff and team members, learn about the project status and ask questions.

This Study is being carried out in accordance with the requirements for Master Plans as outlined in the Municipal Engineers Association's Municipal Class Environmental Assessment (MCEA) document (*October 2000, as amended*). This study will be completed in accordance with Approach #1 and address Phases 1 and 2 of the MCEA Study process to identify opportunities within the network, identify alternative solutions, and establish a preferred network alternative.

To learn more on the project, visit letstalk.niagarafalls.ca/tmp or contact the project team: mbilodeau@niagarafalls.ca and nick.sully@wsp.com

Information will be collected in accordance with the *Municipal Freedom of Information and Protection of Privacy Act*. With the exception of personal information, all comments will become part of the public record. If you have accessibility requirements in order to participate in this project, please contact one of the project team members listed above.
